

SCHOOL-BASED DECISION MAKING

School: The Marion C. Moore School

Subject of the Policy: Instructional Practices

Policy Statement

The Instructional Leadership Team with consultation from the Curriculum Committee shall be responsible for recommending guidelines to the SBDM Council regarding the following instructional practices:

- Cooperative Learning
- Model-teaching methods
- Teacher expectations
- Sex and race equity
- Integration of students with special needs
- Flexible grouping
- Hands-on activities
- Learning experiences related to real life

The Instructional Leadership Team with consultation from the curriculum committee will be responsible for providing oral and written reports related to classroom use of these instructional practices and the effects on student achievement.
